Mrs. McGuire

Mrs. McGuire,
I shall always remember journalism class. It was an interesting year + I'm not sorry I took the class. Good luck to next year's editor.
Live long and prosper!
John Hall

Mrs. McGuire,
Out of all of the English classes in H.S. yours was the most enjoyable of them all. See you around
Rich Leach

Mrs. McGuire

Lots of memories from Junior English!
Thanks,
Chris 'Clapa'

Mrs. McGuire
I am very glad I had you as a study teacher. You made the class fun only when you yelled at the troublemakers. I will never sign a false pass again. Thanks for everything. Hope to see you

Mrs. McGuire,
English was a very
different class this year.
Your style of teaching is
unique, but very effective!
I think Hamlet and Mac-

It was a real
pleasure having you
as an English teacher

It was real having
you for 2 years in the same

... In Younger Years

Remember When . . .

We took those tentative steps towards adulthood Junior High:

Thinking we were cool hanging out . . .
Starting to care about how we looked and who was looking.
No more recess, just endless classes and trying to remember those "new" confusing schedules.
There were memorable dances, parties, field trips, field days, and graduation.
We were learning about ourselves and how to care about others.
We were looking forward to highschool: driving, proms, dates, and new friendships.
Back then it was Giants vs. Badgers . .

Now it's the "Trojan Spirit"

GIRLS

...With Friends

Friends are the most necessary and interesting part of one's life. They seem to make awkward situations feel more comfortable and add the familiar to uneasy experiences. Friends can help to solve problems, as well as help to accept novelties better than anyone else in the world. Without friends, an individual's life would feel void of compassion and over-come with despair. Friends tend to cheer us up and aid us in our times of confusion. They're the reason why our high-school experience has been bearable and possibly even enjoyable. In all, friends contribute to our most beloved memories. Therefore, to our friends we wish, "ALL THE BEST".

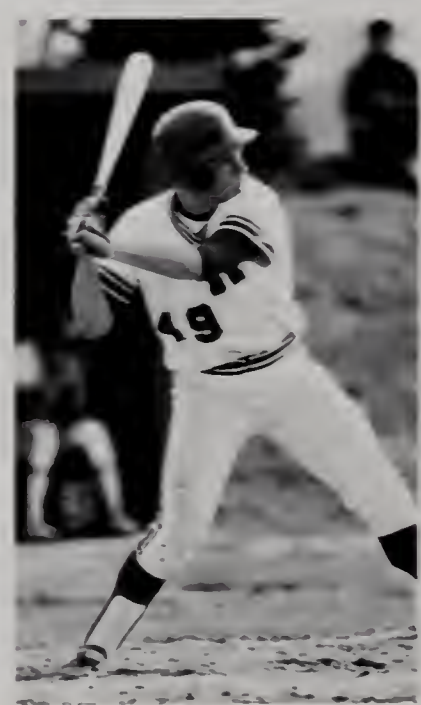
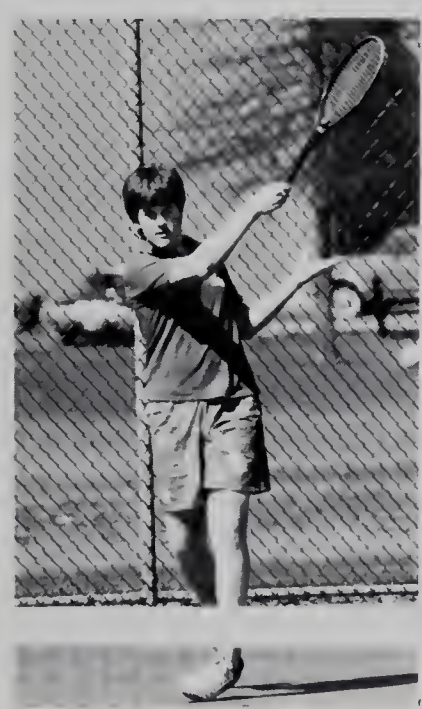
...In Sports

Athletic activities are a substantial part of the high-school curriculum. They offer students the chance to excel in something other than academics, as well as providing spectators with good entertainment. At Bridgewater-Raynham we've seen many good teams participate in hard competition and do extremely well. In four years we've watched the development of new leaders, the transitions of annual starting teams, and the improvements of individuals in sports.

At B-R. sports are an intrinsic and equally important aspect of high school life. Whether it was participating on a team, attending a weekly football game, or supporting a BRHS club, we have all come in contact with our school's athletic activities.





During the Best of Times

As we look back on our four-years at high school, we tend to remember the times which affected us the most. Some of these times may have been the low points of our enrollment at the Regional. However, most of us choose to forget these and remember only the good. Good times were filled with enjoyment and personal satisfaction. Whether it was the prom, good grades, an athletic event or achievement, or just a plain old enjoyable time with friends, these remembrances will remain with us forever.

...In Class

The classroom is the academically functional portion of school. It's an environment where we had the opportunity to obtain knowledge and establish individual values through its application. This is a rather callous and insensitive definition for a place full of so many close friends and acquaintances. In reality, the classroom provided a a better understanding of people through their personalities, knowledge, and talents. Not only was it a center for subjects of edification, but a study of basic human nature. Attention spans could be measured by contrasting pages of detailed notes to a dancing reflection generated by a disinterested watch-band. Humor as well as seriousness was advocated in the classroom because the environment required the element of personal expression. Worry, excitement, grief, boredom, panic, and satisfaction were all present with us throughout our high school years. Maybe all these things will not be sadly missed, but what made them bearable — the people who endured them with us, will.

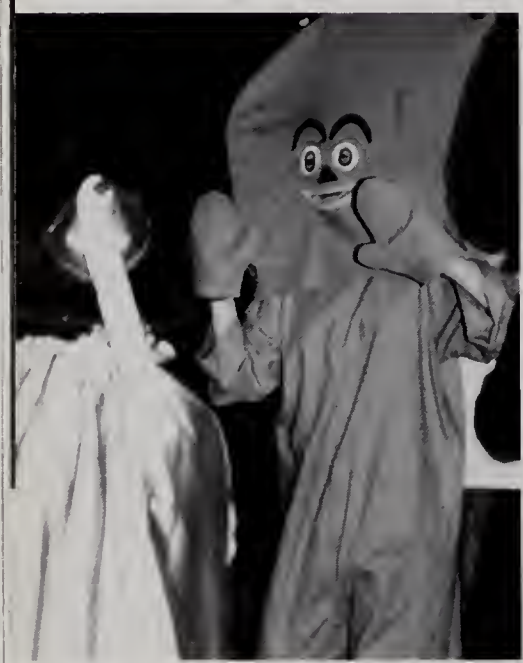
Miss Regional Danc

The traditional Miss Regional Dance was held November 20, 1987. Everyone came dressed to kill, and ready to party. Miss Regional and her court was announced by Lynne Turner, the Senior Class President. The court was: Amy Sprague, Jennifer Court, Kim Gracia and Beth Bauer. ERIN DONOVAN was crowned Miss Regional for the class of 1988.

Capeway Junior Miss

This year 13 Bridgewater-Raynham senior girls participated in the annual Capeway/Greater Bridgewater Junior Miss scholarship pageant. Unlike most pageants, Junior Miss is not a beauty contest. The girls were judged in the following five categories; judges interview, physical fitness, academic achievement, creative and performing arts, and poise and appearance. Representing Bridgewater-Raynham were Kathy Furlong, Jenine Freni, Laura Gustafson, Kim Jenson, Allison King, Diane Piemonte, Allison Rapp, Jennifer Saccocia, Michelle Sellstone, Stephanie Stanley, Amy Sprague, Stephanie Valarelli, and Veronica Zanellato. Out of these talented girls, Jennifer Saccocia was named second runner-up, Jenine Freni first runner-up. Laura Gustafson was crowned the winner, Kim Jenson received an award for academic achievement, and Stephanie Valarelli was voted "most spirited" by the contestants. Congratulations to all!



Christmas Party

As with past years, Senior Christmas Party 1987 was a huge success. The DJ cranked out song after song for the two — hour party in the dining room. As usual, the seniors arrived in costumes ranging from various foodstuffs to beach bums to favorite cartoon characters. Jennifer Hambly won a prize for her Gumby outfit while Mark Medeiros received one for his baby costume. A lot of people showed up and they all had a blast.

Junior Prom

Last May, the Class of 1988 held their Junior Prom at the Canoe Club in W. Bridgewater. The theme song was "Wonderful Tonight" by Eric Clapton and was provided by a D.J. Jenine Freni was prom queen. Between the dancing, the food, the music, and the good company of our classmates, the prom was successful and will remain one of the best memories of our high school years.

Thanksgiving Rally

The Thanksgiving Rally is famous for being loud, exhilarating, and fun. This year was no exception.

The fun started as the band played various familiar tunes that began the ceremony. The pom squad, flag squad, cheerleaders, and even the football players performed entertaining routines that encouraged the crowds to cheer even louder! The yelling, screaming, and chanting of the four classes reached an ear-shattering level.

School spirit was also displayed by the decorations that plastered the gym walls. The yearly competition of picking the class with the best and most creative decorations had a surprising outcome. The Juniors and Sophomores tied for first place, while the Seniors came in third, and the Freshmen ended up in fourth place.

Because everyone at the rally showed great school spirit, this year's rally was just as loud, as exhilarating, and as much fun as the Thanksgiving rally is famous for being.

GOODBYE, MY FRIEND

Goodbye, My friend
  Goodbye until then.
Farewell until
  We meet again.
It may be soon,
  It may be late.
For us it's always
  Worth the wait.

I'll miss our private
  Conversations,
Quiet thoughts and
  Inspirations.
All the times
  We laughed and cried,
All the warmth
  We felt inside.

Let's keep in touch
  In our way.
Let's share our dreams
  Another day.
Let's never lose
  The things we've shared.
Let's part as friends
  Who've loved and cared.

KEVIN M. McKENNEY

Dedication

Mr. Steve Sarantopoulos

This year marks Mr. Sarantopoulous' twentieth year as a teacher and a coach. As the boys' varsity basketball coach, he has won the only OCL championship since the regional was started. He also serves as an assistant track coach holding 160 wins, along with the first OCL track championship ever attained by the school. More affectionately known as "Sara" to his students as well as colleagues, he exhibits a personality which is totally unique and equally appealing. His zeal and understanding illustrates Sara's sincerity to make the classroom experience a more enjoyable one. Above being a teacher, he serves his students as a friend, interested in their future, but not overburdening. He graduated from Providence College in 1967 and obtained a Masters Degree from Bridgewater State in his post- graduate studies. He now teaches Social Studies as well as History and POD. It takes more than knowledge to convey classroom material; it takes a willingness to be open and personable. And the mentioning of "SARA" seems to represent it all.

Mr. Gene Munson

A veteran teacher of seventeen years, Mr. Munson has been involved in both the sciences as well as math. Currently he deals in physics and teaches with a sense of humor. Before enrolling in the Air Force, Mr. Munson attended the University of California as well as the University of Wyoming where he received a Bachelor of Science degree as well as a master of science. He also trained as a Mechanical engineer and pilot & aerospace engineer. He revels in Isaac Newton jokes and kids about how chocolate chip cookies thicken hair. This outlook on life displays his eternal optimism and satisfaction from getting the most out of life. As a teacher, he is sensitive and enjoys the company of youth. He has a daughter as well as a grandchild whom he is currently enjoying. He keeps busy playing Bridge and golf and keeping abreast of current findings in the realm of physical science.

Cheering

This year the B-R cheerleading team was coached by Leslie Buron and Heather Ritchie and led by Captains Jennifer Court and Michelle Tetreault. The girls did a great job providing enthusiasm throughout the Trojan's successful season. They did a splendid job at the pep rally and will be competing their talent in the New England National Cheerleading Competition and in another competition in February. Good luck, girls!

Boys' Golf

The record this year for the golf team was 9-3. The overall record was 11-3. In the all-league meet, John Reilly, a senior was rated number one in the Old Colony League Division. The team missed number one by one stroke. Marshfield had 246 and BR finished with 247. Steve Tuholski, also a senior, finished fifth in the league.

The team had a great season. Good luck Sean Turner, next year's elected captain and his teammates.

Girls' Soccer

The 1987 girls' soccer team has been referred to as one of the best teams ever to play for B-R. They won their second consecutive OCL title and played in their second straight Eastern Mass. South Sectional championship.

The defense was the key to the season this year. The Trojan team was led by standout sweeper and co-captain, Laurie Jones, who was also chosen as B-R's only member on the Eastern Mass. All Star Team. Other key defensive players were co-captains Laura Gustafson and Liz Wynn and Junior Jenny Cedrone. This defense kept opposing teams frustrated to get at exceptional sophomore keeper Jennifer Mead.

B-R's scoring threats came from a strong offense led by juniors Keri Seringa, Tiffiny Hutson, and Stacie Gutowski. Other strong offensive players were seniors Karen Merritt and Sue Quinn and juniors Cheryl Tebou and Laura Stewart.

The overall field performance of the team was backboned by the midfield, which was made up of senior co-captain Sheila Freeman, junior Charity Flynn, and sophomores Kirsten Eckman and Kristen Morast.

Next year's team will have to work twice as hard to keep their OCL Title. If they possess the same determination that this year's team had, they should remain a very strong competitor in Division I girls' soccer next year.

The 1987 team will always be remembered as an underdog and one that accomplished more than was expected. For this they would like to thank those who followed them during the season and to the senior members, who will be sorely missed.

Tiffany Hill and Linette Villegas made the All Star team and Stephanie Stanley was chosen for All League. Juniors playing a key roll were All-Star goalie Cheri Rice and All-League halfback Cathy Hutchinson. The team greatly appreciated the hard working managers Kim Hellmuth, Laurie LaFrance, Tracy Rubadou, and Kim Smith.

The prospects are bright for next year's team. Returning to the varsity will be seven juniors and two sophomores. In addition, coach Joan Casabian will welcome players from the J.V. team which had an outstanding record of 9-1-5.

Aspiring runners Mark Homer, Jim Lemanski, Brian Nichols and Mike Phillips also set individual precedents this fall. The efforts of Ropoza, St. Jermaine, Souza, Beers, Donovan, and Moriello also contributed substantially to the team's effort. — A special thanks to coach Jennings for his encouragement.

Team members consisted of the young and inexperienced as well as the veteran juniors and seniors. Some outstanding wrestlers were Paul Doherty, Rob Panza, Sean Corbett, and Ted Querzoli.

BOYS' VARSITY BASKETBALL

Hampered early in the season by the loss of senior point-guard Kevin McKenney, the 1987-88 Varsity basketball season did not turn out as well as expected for the Bridgewater-Raynham Trojans despite the efforts of the team and coaches Sarantopoulos and Fisher. The starting line-up consisted of five seniors. Ken Bollin and co-captain Jim Tebou commanded both the offensive and defensive boards and proved that they could both take the ball strong to the hoop. While other co-captain Chris Moscardelli, Dale Harris and newcomer Warren Dowdle provided dependable outside shooting as well as quick moves up and down the court. Seniors Shawn Campbell and Mark Lucius provided help inside while Rob Ready and Brian Meany added some depth to t Trojans' back-court. Returning next y will be Andy McCormack and Bla Feeney who intimidated opposing tea with their size, speed, and overall abili Other juniors returning next year are K Fitzsimmons and John Baacke who p vided good outside shooting off t bench.

1988 GIRLS BASKETBALL . . . OCL CHAMPIONS

The girls basketball team had another successful season. They finished with an impressive 18-1 regular season record, winning the Old Colony League for the second straight year. The girls once again qualified for state tournament play.

The key to this year's strong performance was a stunning fast break and balanced scoring from senior co-captain Sue Quinn, junior co-capt Cheryl Tebou, and sophomores Kristen Morast, Kirsten Eckman, and Jennifer Mead.

The team is looking forward to another successful season next year. Returning in the 88-89 season will be juniors Keri Serubga, Laura Stewart, Jenny Cedrone, Madelyn Callaghan, and Rheba Phillips. Also returning next year will be sophomore Kristin Cunningham.

ICE HOCKEY

Despite a disappointing record the B-R ice hockey team managed to gain the respect of teams around the Old Colony League. In past years the games were mostly one sided in favor of the other teams but this year the team was able to skate with and in some instances outskate the opponents even in losing causes. The team was led by the first line consisting of seniors Chris Marchionni, and Old Colony League All-Stars Rob Gallagher, Matt Mincone, and Rick Bellew. This line scored most of the goals and kept the team in the game up to the final buzzer. With the experience gained by the younger players this year the B-R hockey team should be able to look forward to better seasons in the near future.

WINTER TRACK

The boys winter track team finished their season with a fourth place finish in the Old Colony League meet, held at Taunton Field House. Though the team experienced a rather large amount of exceptionally close defeats, most occuring within only one or two points, the season proved worth-while for a certain few. Captains Mike Washburn and Jim Streeto both had superb performances and ended up attending the state meet held at Harvard University at the end of the season. Mike also enjoyed a winter of B-R record breaking in the one mile run. Dan Huot, Todd Pilling, Jim Streeto, Dana Buron, Jim Brow, Chris Ghelfi, and Chris Kelly all contributed to the team by running extremely well in the 1000 and under. Mike Washburn, Mike Moran, Mike Phillips, Mark Homer, Gregg Rivers, Shawn Moran, and Tony Ropoza attained team points in the one and two mile run. Rich Leach, Mike Mirka, and Paul Doyan all threw well in the shot-put and Sean Swain and Paul Finny had some of their best times in the 50 yard hurdles. Scott Winnail, Dan Huot, and Brian Barthel each showed that persistance is an essential factor while doing the high jump. In all, many fine performances were exhibited this winter, proving that B-R is still a competitor to be dealt with.

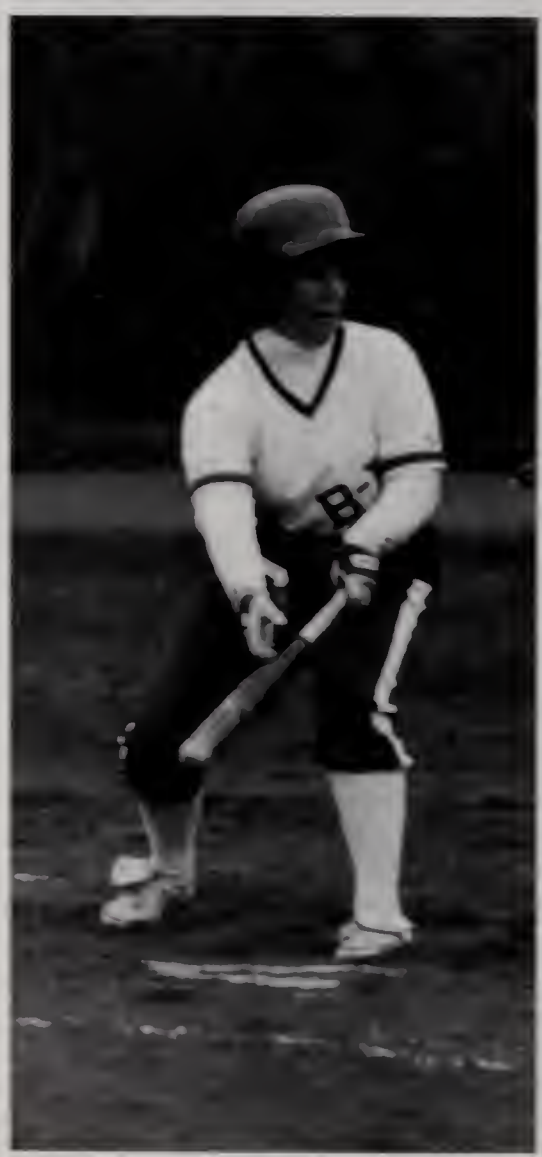
The 1987-88 girls' winter track team finished their season with its best record ever (4-2 O.C.L.), under the direction of coach Mrs. Wheaton. This was due to many talented returning members and the addition of new members.

Five members of the team went to the Freshmen/Sophomore Auerbach Developmental Meet held at M. I. T. Those participating were: Christina Brown (mile), Amy Michael (shot put), Kelly Jones (mile), Holly Ferris (300 yd. run), and Lisa Rose (300 yd. run). All five performed very well.

Several members of the team participated in the Indoor Track State Relays held at Boston University. The shot put relay team consisted of Amy Michael, Christina Brown, and Holly Ferris. The sprint medley team of Tammy Drysdale, Christina Brown, Holly Ferris, and Kristin Worcester placed third in their heat, while the 4 x 200 yd. relay team of Lisa Rose, Amy Michael, Jen Wasti, and Kelly Jones placed fourth in their heat.

Liz Wynn, Tammy Drysdale, Tiffiny Hutson, and Christina Brown all qualified for the State Indoor Track meet held at Harvard University. Liz placed sixth overall in the high jump; Tammy placed eighth overall in the 1,000 yd. run; Christina Brown won her heat of the mile run and placed eighth overall; and Tiffiny placed fifth overall in the 50 yd. dash and she advanced to the All-State Meet.



Girls' Softball

The girls' softball team improved their record from five wins eleven losses to nine wins nine losses. The girls have great expectations for this year's team and are anxious to overtake Taunton for the OCL division title. Though the team lost Kim Brown as starting pitcher, Keri Seringa looks like a promising replacement and confident starter. Captains Sue Quinn, Kelly Stevens, and Tina Murray will be leading this year's team as well as reigning as possible all-league material. Terri Stewart will start as the team's most prized outfielder. Last year's All-Stars Cheryl Tebou will start at first base and Tina Murray at third. Sue Quinn will dominate the short-stop position and Kelly Stevens is reckoned to have a great year as the Trojan ladies' catcher. Whatever the outcome, the team will be looking good in their new uniforms.

BASEBALL

The Trojans had a good season in their '87 campaign, ending with a 13-7 record. The Trojans, gifted with great talent, were favored to win the OCL and possibly a division 1 State Title. Even though it was a good season, the team did not accomplish all of its goals. B-R lost a few league games early which put them out of the OCL Championship, but they qualified for state tournament play. The Trojans beat Plymouth-Carver in the first round of the states 3-2. They were then beat by Natick 9-5 and were eliminated.

The Trojans graduated many players last season and some big stars. However, Coach Holmes is optimistic about this year as the team returns with veteran players: Brian Grienier and Chris Lentini both of whom had excellent seasons. Andy McCormack and Blake Feeney received All- Scholastic awards while four-year team captain Scott Blake was named to the Jr. Olympic team, All-State and given other prestigious awards. The late Kevin McKenny served three dedicated and incredible years, two of them as a member of the Varsity squad.

When asked how the team will do this season, Coach Holmes said, "We don't have the talent that we had last year, but we have some hard workers — we'll see what happens this year." Other senior members of the team are: Lucius, Heath, Meaney, Donovan and Gillis.

TRACK

The boys' track team yielded a variety of top-placing athletes like Mike Gallagher in the triple and 100, Chris Moscardelli in the triple, Dale Harris in the long, Mike Washburn in the mile and Rob Doulette in the 110 relay and the 100. The team was anchored by a large weight crew who performed consistantly throughout the season. Shawn Flaherty, Clint Dale, Dave Shaw, and Rich Leach all placed well in their events and promise to become a dominating factor in seasons to come. This year's team did well with a surprising number of close meets and near record-setting, especially by Gallagher. Next year's team looks promising with a variety of substantial components arising.

Girls' Track

The 1987 Girls' Track Team had a pretty successful year. The relay team of Katherine Downs, Traci Stafford, and Tiffiny Hutson was undefeated! The girls hope to do as well in '88.

Last year's senior students were: Melissa Poirier, Diana O'Donoghue, Kelli Turner, Jen Cain, and Jen Booth. The team's standouts from this year's senior class were: Traci Stafford in the high jump, long jump, 100 yard dash, and the 4 x 10 relay; Katherine Downs in the high jump, 100 yard hurdles, and the 4 x 10 relay; and Liz Wynn in the triple jump, high jump, and the mile. Karen Merritt did a fine job in the 4 x 1 mile relay and other events. Junior Tiffiny Hutson contributed a great deal to the team, setting a record in the 100 yard dash.

The team expects to have won the OCL title in '88!

B-R's rop all- around gymnasts this year were Teri Lemon and co-captain Tina Pacheco. Consistently placing with strong scores on all four events, the two juniors were among the best gymnasts in the OCL and in the state.

Other gymnasts who contributed regularly to the varsity team this year were senior co-captain Diane McLaughlin on bars, beam, and floor; sophomores Kerrie Kneeland on bars and beam, Debbie Silva on vault, and Jen Sniger on bars and floor; and freshmen Becky Jackson on vault, beam, and floor, and Billy Pacheco on vault, bars, and floor.

Other gymnasts who competed on varsity during the season were Debbie Chase, Lori Ouellette, Jen Holmes, Sonya Jones, Merrie Medeiros, Janel Anania, Amy Hanson, Earl Marsh, and Danielle Piquette. World Affairs Club Travels To The United Nations

By LAUREL JACKSON

Wednesday, Dec. 2, forty-two members of the World Affairs Club, along with advisor Mr. Reilly and chaperone Sally Reed, embarked on a day trip to the United Nations in New York City.

Upon arrival at the U.N., the group was split in two and was escorted through the building by tour guides. The guides explained the U.N.'s structure and purpose, it's member countries, and the organization's many diverse agencies.

Later the two groups met and attended a briefing with a representative from the German Democratic Republic. The meeting was especially beneficial because the club will represent East Germany at the Harvard Model U.N. this month. Through the meeting, the members of the group were better able to understand many of the country's policies.

Next the lights went out and a film entitled "In the Minds of Men" was shown. The film dealt with the controversial issue of global disarmament. Its stark truth left many students disturbed about the issue.

Everyone seemed to have a good time on the trip. Was impossible for anyone to get away without learning something.

BAND

The Bridgewater-Raynham Band had another successful year under the direction of Mr. Paul Peterson and Mr. James Voto.

During the fall the Marching Band not only performed at football games but also in various parades. This year the band performed in the Tri-Town Veterans' Day Parade, the Taunton Christmas Parade, the St. Patrick's Day Parade, and the Memorial Day Parade. They also were in the Abington Band Jamboree where they were evaluated on their performance.

Seniors Tom Booth, Joanna Campbell, Kim Doucette, David Johnson, Wric Kingsley, Matthew Podzon, Patrick Sullivan, and Christine Tufts were a major part in the performances of the Marching Band this year. Some seniors were appointed to leadership positions which were designed to try to keep the rest of the band in line. The positions and the seniors who held them were Kevin Alvarnaz as Performing Drum Major, Christopher Clapp as Drill Sergeant, and Jennifer Hart as Drum Major. During the marching season they played a very big part in performances. They taught the band their halftime shows and helped them on their pep music that was used in the games to cheer the football team on.

When the marching season ended, the concert season began, and the band members started to concentrate on their playing talents even more. Three students this year did exceptionally well and were chosen to play in the South Eastern District concert. They were junior Katie Swarce and seniors Kevin Alvarnaz and Christine Tufts. Besides District there was a S. E. M. S. B. A. concert that this year was held here at B-R on March 18, 19, and 20. Many students from the band tried out for positions.

Besides these special concerts, the full band held their own highly successful concerts. They performed a Christmas Concert at B-R, another at the Bridgewater Library, and a "Pops" Spring Concert in the gym.

Last year the band was rewarded with a trip to Washington, D. C. during the weekend of May 1, 2, and 3. The band performed at the U. S. Capitol and at the Post Office Pavillion. While they were in Washington, the band went to watch the U. S. Marine Marching Band to get some tips and ideas for this year's season.

The Hours

I'm Sorry.
I haven't been around in a while,
but I haven't had much to say.
I've been watching the hours pass
through the windows,
Life is much too short anyway.
There was only one thing
that kept me going, froze the time
That seems to have left me too.
I close my eyes, pray for it back
I am quiet; I listen for the angels,
I hear just a few.
They are children, beautiful and soft,
I ask what I may do.
They tell me it is gone forever
I am confused, and very frightened,
To the world, I am a coward.
But I have only surendered
to the hours
Like so many heroes choose.

Tomorrow

It is cold
I shiver
I dream
of a river
Frozen over
with death
Melted
by my breath
Old lie
New page
Useless step
Endless rage
The pain
Please go
Afraid of
Tomorrow.

JUST THINK ABOUT ALL THE GOOD TIMES WE'VE HAD. AND WE'VE GOTTA HAVE ANOTHER LASAGNA PARTY/REUNION LOVE YA,
